MEMORANDUM FOR: Comptroller

14 August 1958

SUBJECT : Temporary Obligation Authority for FY-1959

1. I have noted your memorandum of 25 July on the above subject and appreciate the exemption therein granted from the monthly limitation on the rate of obligations.

2. With respect to paragraph 3. of your memorandum, your statement is correct that we do contemplate entering into obligations immediately for Project CORONA and also for Project [REDACTED] and possibly for others. My memorandum to the Director on the financing of special projects (DPS-3074), when approved by the Director, constitutes approval of the special projects administered in this office and approval to obligate funds therefor. Unless I hear from you to the contrary after you have seen that paper, I shall assume that it meets the request in the last sentence of your memorandum on temporary obligation authority.
